

The A,B,C's of Quality Pilot Decision Making!

Pilot Decision making can be affected by many things and has been implicated in the overwhelming majority of general aviation accidents! This interesting and exciting program is interactive; those in attendance will actually get to participate in the decision making process involved in takeoffs and landings. Don't miss this one!

Directions: Mancini Hall.

A message from the National FAASTeam Manager

Start FAASTeam CFI Workshops any time! Find Workshop #4 in SPANS.
